## **FREE ADULT EDUCATION REGISTRATION DAYS COMING SOON TO SOUTH SUBURBAN COLLEGE AND COMMUNITY SITES**

SOUTH HOLLAND, IL—South Suburban College's Division of Adult Education is offering a wide range of opportunities for adults to build the basic skills required for success.

Adult Basic Education (ABE) helps men and women whose skill levels are below the ninth grade. ABE students improve their skills in Reading, Writing, and Mathematics. Many adults choose to further build on these skills and pursue a high school education through the High School Equivalency (HSE) program. The HSE program will develop the skills required to pass the GED exams. Studies will include Reasoning through Language Arts, Social Studies, Science, Mathematics, and the US and Illinois Constitutions. Additionally, English as a Second Language (ESL) allows non-native students to improve their English skills from beginning to advanced levels.

Most of the Adult Education programs are offered both full and part-time at the Main Campus in South Holland or the Oak Forest Center. At the time of registration, all students will take a Placement Test. The complete schedule of locations for registrations and classes is as follows:
