THE CORE FOUR OF LEADERSHIP TRAINING COMING TO SSC OAK FOREST CENTER

SOUTH HOLLAND, IL – The Business & Career Institute of South Suburban College recognizes the need for training that allows current and future leaders to develop the necessary skills to help organizations and companies thrive. They are offering a dynamic and experiential workshop series called “The Core Four of Leadership” this summer, specifically designed for first-time or aspiring supervisors, employees being considered for management roles and for veteran supervisors who could benefit from a refresher course.

What makes a business run seamlessly is not the land, labor, capital and entrepreneurship, but the leadership. Many of today’s managers and supervisors are ill-equipped to handle the responsibilities that being a leader brings. As a result, the organizational culture and morale often suffer, financial goals aren’t met and employee turnover is high. Effective leadership requires a commitment to ongoing training and development.

Facilitated by Lee Ann Piano, a John Maxwell certified speaker, trainer and coach, this four-week program will walk you through the “Core Four” leadership essentials - Character, Credibility & Integrity; Coaching & Delegating; Assertiveness; and Motivating Teams. A certificate will be provided at completion of training. Your employees and company are worth this program!

Program Dates (all Tuesdays) are: June 14th, June 28th, July 12th & July 26th
