PARALEGAL PROGRAM OPEN HOUSE COMING TO OAK FOREST

SOUTH HOLLAND, IL – South Suburban College will be hosting an Open House for its Paralegal Program on Wednesday, July 27, 6:30 p.m. – 7:30 p.m., Oak Forest Center Room 5190. Attendees will learn about an exciting career that is expected to grow 18% through 2020 according to the US Department of Labor. Information will be provided about SSC's Paralegal/Legal Assistant curriculum, including the Associate Degree and certificate programs. In addition, former students from the program, working as paralegals, will be present to answer questions.

The curriculum prepares students to work in a variety of legal environments including civil and criminal litigation, insurance, banking, public and governmental agencies, law offices and corporate legal departments. Emphasis is placed on the development of core skills in legal research and writing techniques including compilation and analysis of data, understanding legal vocabulary, law office technology, and preparation of legal documents.

“Whether you are looking for a change in your career path or looking to begin a career, this is an excellent opportunity for anyone who has an interest in the law,” says Jason Cieslik, J.D., Coordinator for the Paralegal Studies Program.

SSC has the only American Bar Association (ABA) approved paralegal program in the south suburban Chicago region, giving graduates a huge advantage when entering the workforce. The college also requires that all of the instructors in the program are lawyers or judges to ensure the quality of instruction.

While the majority of the paralegal classes are offered at SSC's Oak Forest Center (conveniently located at 16333 South Kilbourn Avenue), some classes are offered online. For more information, please contact Mr. Jason Cieslik at (708) 596-2000, ext. 2579 or email JCieslik@ssc.edu
