

Setting up your mobile device for SSC Email Access (Android)

To setup access to your SSC email on your Android device:

1. Go to **Settings > Accounts & Synch**, tap **Add Account**, tap **Email**.
2. Tap  Exchange ActiveSync
3. Enter your student email (jsmith100@student.ssc.edu) and your password.
4. Mail Server is “**stumail.ssc.edu**”.
5. Domain is “**student**”.
6. Select “**Encrypted SSL Connection**” when prompted
7. Tap **Save**.
