CRUCIAL CONVERSATIONS: RECOGNIZING & ADDRESSING SEXUAL HARASSMENT IN THE WORKPLACE (A VIRTUAL WEBINAR)

SOUTH HOLLAND, IL—The Business & Career Institute (BCI) of South Suburban College presents a webinar entitled Crucial Conversations: Recognizing & Addressing Sexual Harassment in the Workplace (A Virtual Webinar) on Wednesday, December 2nd from 9:00 – 10:15 am.

Allegations of sexual harassment and workplace misconduct have permeated the news in the last few years. As a result, Governor Pritzker mandated all Illinois businesses to provide sexual harassment training for all employees at least once a year, starting in 2020. Behavioral health occupations requiring an Illinois license are also mandated to attend this training. In the webinar, HR Consultant Alexandra Glumac will address three important questions:

- What is sexual harassment?
- What do you do if you experience or witness it? and;
- Whose responsibility is it to stop it? Who should attend?

1.0 continuing education credits are available for Licensed Professional Counselors, Licensed Clinical Professional Counselors, Licensed Social Workers and Licensed Clinical Social workers, meeting the criteria for these professionals regarding sexual harassment training.

1.0 PDCs are available for SHRM-CP & SHRM-SCP holders.

Certificates of completion will be available upon request for individuals representing other industries, to satisfy Governor Pritzker's mandate.

Cost: \$25 per person; \$20 per person if 3 or more from the same company attend. Add \$10 surcharge for CEU's or PDC's.

The workshop will be held virtually and reservations are required. To register, please email bci@ssc.edu or call (708) 225-6055. RESERVATIONS REQUIRED BY 12:00 pm MONDAY, NOVEMBER 30th. For additional information please call (708) 596-2000, ext. 3254 or email aglumac@ssc.edu.
