

# High Five

*Modes of Class Delivery*

## Fall 2021 Semester Options:

- 1. In-Person Classes:** In-person classes will be run at less than 50% classroom capacity with social distancing.
- 2. Online Classes:** Online classes are delivered entirely through the D2L Virtual Classroom. Look for section numbers between 300-399. TBA indicates asynchronous instruction.
- 3. Virtual Classes:** Virtual refers to synchronous online instruction through the D2L Virtual Classroom. Days, and times will be listed in the schedule for required live sessions. On-campus labs maybe required.
- 4. Simulcast Delivery:** Dual delivery class selection of limited in-person seating or virtual using D2L. Students must choose their preferred delivery mode section when registering. Virtual students are expected to be available at the scheduled class and lab times.
- 5. Blended Delivery:** Blended is a hybrid requiring students to meet in-person as well as complete additional requirements independently. Look for section numbers between 200-299. Days, times, and room numbers will be listed in the schedule for required live sessions.

**It's important to register early for Fall 2021 Semester to secure your preferred mode of instruction.**
