Swing Into Spring Now at South Suburban College to Benefit from Tuition Assistance Programs and Flexible Scheduling

SOUTH HOLLAND, IL—South Suburban College (SSC) continues its efforts to provide flexibility to college degree seekers interrupted by the pandemic with a wide range of online and in-person class options, as well as significant tuition and technology supports. Spring Registration is now in progress online from ssc.edu. The 2021 Spring Semester begins the week of Monday, January 10, 2022. All current and prospective students are encouraged to register early to secure grant opportunities, their preferred course schedule and mode of classes delivery.

The New Year is an excellent opportunity for students to take a giant step in their success by customizing a class schedule at high quality and supportive institution. New SSC students should get started with the Online Application from ssc.edu. Once the application process is complete, new students will receive an SSC email account and a [Self Service](#) Username & Password via email which will allow access to student information and class registration.

SSC previously announced the free laptop application and other technical supports such as hotspots to assist students with the virtual learning environment. Applications are accepted from www.ssc.edu/technology-relief-fund/. Previous students may take advantage of the SSC Student Debt Relief Fund from www.ssc.edu/student-debt-relief-fund. To ask for help, access the LIVE CHAT button from ssc.edu, call (708) 210-5718 or email registration&records@ssc.edu.

Additionally, SSC's Workforce Equity Initiative (WEI) grant provides wrap-around services including comprehensive financial assistance and academic support to participating students within a variety of program areas providing stackable credentials. These programs will be highlighted at the upcoming Open Houses including Nursing, Patient Care Technician (PCT), Basic Nursing Assistance Training Program (BNATP), Community Healthcare Worker (CHW), Certified Production Technician (CPT), Solar Photovoltaic Installer, Forklift Operator, and the brand-new Barber College at the college's Main Campus. For more information about the WEI programs at SSC, please call (708) 596-2000, ext. 2413, email workforceequity@ssc.edu or visit www.ssc.edu/wei.

SSC is a community college located in South Holland, Illinois serving 21 communities including parts of the Chicago Southland and northwest Indiana. SSC provides a variety of support services and leadership opportunities to its students in addition to a wide range of affordable academic programs.
