South Suburban College is Providing Wide Range of Options to its Community for Illinois' Vax or Test Mandate

SOUTH HOLLAND, IL – South Suburban College is now providing Moderna, Pfizer and Johnson & Johnson vaccination options, along with COVID-19 testing at its free drive-thru site in South Holland. Both the COVID-19 vaccination and testing are also now open four days a week on Mondays, Wednesdays, Fridays, and Saturdays from 8 a.m. – 4 p.m. The drive-thru set up is located within the Northwest Parking Lot at 15800 South State Street, South Holland, Illinois. While no appointment is necessary, individuals seeking testing may save time by pre-registering online from <https://rebrand.ly/idph>.

Pursuant to Executive Order #87 signed by Governor J.B. Pritzker on August 26, 2021, all employees, students and regular visitors of South Suburban College are required to either be fully vaccinated for COVID-19 or be subject to at least weekly COVID-19 testing. SSC has implemented the CLEARED4 compliance system to enforce the mandate on campus by validating an individual's vaccination status with a Blue Pass or negative test with a Green Pass via smart device. More information is available online from ssc.edu/covid19. Self-registration is also available for regular campus visitors from www.ssc.edu/c19vax.
