Imagine a career with a ringside seat to all the action

- high-profile criminal trials
- the House of Representatives and the Senate
- major sporting events
- breaking news stories for TV

We're called court reporters, stenographers, captioners, speed-texters, realtime communication specialists, and IVT (instant voice-to-text) technicians. Whatever you call us, we are technology. Picture yourself getting paid to caption the games of your favorite baseball team. Find yourself in the center of the action during a high-profile trial. You could have the potential to work remotely, set your own work schedule, or be your own boss.

Annual salaries of court reporters and captioners can reach upwards of \$80,000 and beyond.

"Court Reporting provided me a rewarding career with flexibility."
