South Suburban College to Host Forklift Operator Training Courses at Oak Forest Center

SOUTH HOLLAND, IL– South Suburban College’s Business & Career Institute is offering Forklift Operator Training in February and March at the Oak Forest Center. This certification course covers the basic forklift driving skills needed to obtain a Forklift Operator Certification.

The cost for each course is \$179.00 per person, or FREE for qualified applicants. The Spring sessions will be held as follows:

- February 19 8:30am - 4:30pm
- March 18 8:30am - 4:30pm
- March 26 8:30am - 4:30pm

The Forklift Operator Certification from the National Safety Council is available through these sessions at SSC for individuals who are looking for new career skills or for employers who are ensuring a safe and compliant workplace. Illinois requires all forklift operators to obtain a license to avoid OSHA sanctions and possible penalties. Forklift driving is no simple matter; it causes more than 100 deaths each year. A Certification Card from the National Safety Council will be issued to the student upon successful completion of the program. The course will enforce social distancing and use of PPEs.
