Summer Registration is Underway at South Suburban College

SOUTH HOLLAND, IL—Summer registration at South Suburban College (SSC) is in progress and plenty of [convenient course offerings](#) are set to begin as early as June 6, 2022. SSC offers a wide selection of career education and college transfer programs individually tailored to the unique needs of every student.

Various resources are offered at SSC to guide students on their path to success. [Special tuition programs](#) are available for eligible individuals, as well as a [Technology Relief Fund](#) that provides students with items like laptops and course software to allow for a more effective virtual learning experience. Additionally, SSC's [Workforce Equity Initiative \(WEI\)](#) grant provides financial assistance and academic support for participants within a variety of program areas. Many of these students receive stackable credentials.

Early enrollment is highly encouraged as summer courses are filling fast. Current students can login to [self-service](#) to register.

Information regarding registration services, such as in-person and remote hours of availability, and a “live chat” function to connect with staff, are available on the college’s [Admissions and Registration webpage](#). Prospective students may also call (708) 210-5718 or email admissionquestions@ssc.edu for assistance.

SSC is a community college located in South Holland, Illinois serving 21 communities including parts of the Chicago Southland and Northwest Indiana. SSC provides a variety of support services and leadership opportunities to its students in addition to a wide range of affordable academic programs.
