South Suburban College Seeking Teachers for College for Kids Summer Program

SOUTH HOLLAND, IL– The Office of Continuing, Corporate and Community Education (C3) at South Suburban College (SSC) is seeking teachers to join the College for Kids teaching staff. This program will greatly enhance a child’s development this summer.

This program will begin on Tuesday, June 28, 2022 and conclude on Thursday, July 28, 2022. Classes will not be offered on Monday, July 4, 2022, as campus will be closed for the holiday.

Applicants must be 18 years of age or older and should be familiar with educating children in grades K-12. While teaching credentials are preferred, experience educating in a school setting is sufficient to apply for these paid positions. This program will explore reading, study skills, grammar and essays, math (including pre-algebra, algebra and geometry), foreign language (such as Spanish), and art.

“Teachers in the College for Kids program have a direct opportunity to positively impact the youth of our community through education,” said Gervaise Edwards, Manager of C3. “If teaching is your calling and the future is your concern, this opportunity is right for you. Teachers in this program influence, inspire and mentor our local children to have better, brighter futures.”

Call Gervaise Edwards at (708) 596-2000 ext. 5723 for more information or to apply to teach in this program. College for Kids will be offered on SSC’s Main Campus, located at 15800 South State Street, South Holland, Illinois.
