Purpose of Petition: This form allows you to request special consideration of your dependency status for financial aid purposes for the 2022-2023 award year. The law requires a determination of unusual circumstances for a dependency override be made each award year. A decision made in one award year does not automatically mean a student would be deemed independent in another year. In addition, a dependency override performed at another school will not warrant a dependency override at SSC. If the financial aid administrator determines an override is not appropriate, the decision cannot be appealed.

Federal regulations require parents to have the primary responsibility to pay for a dependent student’s educational expenses. None of the conditions listed below, singly or in combination, qualify as unusual circumstances meriting a dependency override:

- Parents refuse to contribute to the student’s education;
- Parents are unwilling to provide information on the FAFSA or for verification;
- Parents do not claim the student as a dependent for income tax purposes;
- Student demonstrates total self-sufficiency.

Instructions for completing the petition and initiating a review of your dependency status:

1. Read the criteria and all instructions carefully on this form.
2. Have you completed your 2022-2023 FAFSA Yes or No
3. Submit completed and signed request for dependency override, two third-party witness forms to the Financial Aid Office along with:
 - A detailed letter from you explaining why you believe you should be considered independent of your biological or adoptive parents. Explain any special family circumstances, incidents, and/or events which prohibit your biological or adoptive parents from supporting you. Attach supporting documentation (i.e. police reports, court records or DCFS documents, etc.)
 - Name and address of both your biological or adoptive parents;
 - The last time you had contact with each of your parents – when, where, and the nature of the contact;
 - The most recent support (including cash, food, housing, vehicle, car insurance, medical insurance, etc.) you received from your biological parents or adoptive parents;
 - Copy of the student’s 2019 and 2020 IRS Federal Income Tax Transcript and all W2’s
 - Did or will your parent(s) claim you as a tax exemption in 2020 or 2021? Yes or No
 - Were you, or will your be, claimed as a tax exemption by anyone in 2020 or 2021? Yes or No
 - If yes, who? _____

Please check one:

- This is my first dependency review
- I am applying for a renewal of a previous dependency override granted by SSC
