

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. In order to process your financial aid for the 2022-2023 academic year, we need to gather additional information about you and your spouse (if married) as required by the U.S. Department of Education (34 CFR, Part 668).

To verify the accuracy of the information provided on your application, we will compare your FAFSA with the information on this document and with any other required documents. South Suburban College reserves the right to make all necessary changes to your Student Aid Report (SAR).

Failure to complete the verification process will result in a delay of financial aid processing or possible loss of eligibility.

You (and your spouse) must complete and submit this Verification Worksheet, and any additional documentation requested, before your financial aid will be processed.

Student & Spouse (If Married) Tax And Income Information

I filed a 2020 Federal Tax Return (Form 1040,1040X).

Instructions:

You must provide tax data for yourself and your spouse (if married). **The most efficient way to do so is by utilizing the IRS Data Retrieval Tool within the FAFSA application.** By revising your application to link your taxes (if you have not already done so), you will satisfy this requirement. If you filed your IRS tax return electronically, it is generally available to link to your FAFSA within 2-3 weeks of filing; if you mailed a paper copy of your IRS tax return, data is available for transfer 8-11 weeks after filing. Please note: the IRS Data Retrieval feature will not be available if you and your spouse filed separate tax returns.

If you are unable, or choose not, to utilize the IRS Data Retrieval Tool within the FAFSA, you must submit a 2020 IRS Tax Return Transcript. If you and your spouse filed separate tax returns, you must provide a Tax Return Transcript for each of you. To obtain your tax transcript, go to www.irs.gov and select the option to Get Transcript of Your Tax Records, under the Tools menu. Please note: only Tax Return Transcripts will be accepted (not Tax Account Transcripts).

I am not required to file (and will not file) a 2020 Federal Tax Return.
