Apply to the college and provide official high school and/or college transcripts to the SSC office of Admissions.

Take the SSC College Placement test and complete any required college preparatory classes in Math, English or Reading with a grade of a "C" or better. Math must be completed through MTH 091-General Mathematics, English through ENG 098-Writer's Workshop I, and Reading through RDG 082-Reading and Learning Skills II.

PLEASE NOTE: All transcripts must be on file in the Admissions & Records area. All information must be on file or your application will not be processed.

Prior to enrolling in the program, students are advised to review the applicable licensure procedures and requirements and state laws of the profession to ensure that they are eligible to receive a license following completion of the program at South Suburban College. You will be subject to a criminal background check and/or drug testing. Eligibility for clinical/licensure may be limited by the results of a criminal background investigation and drug test results.

A photocopy of the student's current health care insurance must be submitted to each respective program coordinator in order to participate at any clinical education site. Failure to maintain comprehensive health care insurance will result in the student being immediately withdrawn from the clinical site and there by receiving a failing grade in the clinical education class. Furthermore, the student will be financially responsible to pay all medical bills and co-payments as a result of injuries or health issues that arise from participation of clinical education programs.

I understand the requirements for admission to the program in regards to course work and residency.

I have completely **COMPLETED all Prerequisites and General Education Requirements.**
